

REPENTANCE
FASTING
PRAYER
CRYING OUT

We are often shackled to a world system that demands a focus on the here and now. Too often we live without a riveting sense of eternity and without a sense of urgency. We can easily become much too careless and casual in the decisions we make, the relationships we establish, the priorities we live by, and the factors that drive our everyday lives.

With this in mind, how then should we be living personally, with our family, in our churches, in our workplace, and in our world? Certainly with eternity in mind! Jesus reminded us that if we are going to make an investment in our lives, we are to do it with eternity in mind: "Do not lay up for yourselves treasures on earth...for where your treasure is, there your heart will be also" (Matthew 6:19-21).

Living life with a clear biblical understanding of eternity will influence where we devote our time, how we spend our money, who we associate with, and how and what we pray for. Jonathon Edwards prayed, "Lord, stamp eternity on my eyelids." The question we must address is, "How would we live differently if indeed eternity was stamped on our minds and we looked at all of life from the eternal perspective?"
